**Description about the Activity:** Children are our future and our nation's building blocks. We Indians celebrate the birthday of the country's first Prime Minister, Pandit Jawaharlal Nehru on this day. His fondness for children and his deep bonding with them is legendary. Celebrating children in schools and educational institutions, at homes, and in families is our way of honouring Chacha Nehru and his vision for the nation, which rests solidly on the shoulders of our young ones. Children's day was celebrated at the panchayat primary school. Gunduupalavadi. NSS students gifted them with lines notebooks and stationary packet. Children felt happy with unexpected gifts.
