### **4.3.1: Institution frequently updates its IT facilities and provides sufficient bandwidth for internet connection Describe IT facilities including Wi-Fi with date and nature of updation, available internet bandwidth**

The IT facilities at Periyar Arts College are undergoing periodic updates in multiple phases to ensure optimal performance. Hardware upgrades are being conducted regularly to meet the specific needs of each department. Outdated systems are being replaced with new models featuring advanced configurations and specifications, including 4GB/8GB RAM, Intel-i3 processors, and 1TB/500GB hard drives. These enhancements are aimed at improving the overall efficiency and functionality of the college's IT infrastructure.

The computer laboratories at our institution are equipped with a wide range of software including Adobe Reader, C, C++, JAVA, Adobe Photoshop, and Visual Studio. Additionally, Android Studio, PHP, MySQL, and Apache Web Server are available for student use. Antivirus software is deployed on certain computers to ensure security, and the operating system is regularly updated in a phased manner.

All computers are connected to a local area network with internet access, and our wired and wireless network infrastructure has been established with a focus on reliability, performance, and cost efficiency. The campus benefits from two BSNL broadband optical fiber cable connections viz **04141-213166** and **04142-213167**, providing a bandwidth of 200 Mbps. The Computer Science department is currently supported by Wi-Fi service, allowing for seamless connectivity.

Furthermore, the Computer Science Lab activities are monitored through video surveillance, ensuring a secure and efficient learning environment for our students.

The Computer Science laboratory provides IT facilities for students majoring in computer science. The lab, located within the Computer Science department, is equipped with 124 computers. Additionally, first-year students who are not majoring in computer science can gain computer skills through the Computer Literacy Programme (CLP) laboratory. This programme is conducted separately on campus and is designed to enhance students' computer knowledge under the guidance of trained faculty members.

Furthermore, the English Language Lab is utilized by students and staff of the English department. Each department is also equipped with one to three computers based on their specific needs for academic purposes. In addition, the library, office, and Principal's room are all furnished with an ample number of computers to support various administrative and academic functions.

The Computer Science Department at our college offers a range of resources, including LAN facilities and open-source software. Additionally, most departments have their own internet access. Each year, the college compiles a list of requirements from all departments, which is then used to create a consolidated report for the annual budget. This report is submitted to the Directorate of Collegiate Education, which ultimately decides on the allocation of funds for updating, deploying, and maintaining the computers on campus.

In order to enhance our IT infrastructure and associated facilities, the college has outlined the following plans:

- ❖ Implementing Wi-Fi connectivity in all departments
- ❖ Providing LCD facilities for more effective teaching
- ❖ Acquiring proprietary software to advance IT knowledge
- ❖ Purchasing enough computers to allow students to spend more time on computer-based learning.

**ABSTRACT**

Disaster Management Act, 2005 - COVID- 19 - All Higher Educational Institutions under the control of Higher Education Department - Online classes to be conducted - Orders - Issued.

**REVENUE AND DISASTER MANAGEMENT (DM-IV) DEPARTMENT**

**G.O. (Ms) No. 327**

**Dated: 22.03.2021**

சார்வரி, பங்குனி 09  
திருவள்ளூர் ஆண்டு - 2052

**Read:**

- 1.G.O. (Ms) No:673 Revenue and Disaster Management, Dated:30.11.2020.
- 2.G.O.(Ms) No. 84, Revenue and Disaster Management, Dated: 31.01.2021.
- 3.G.O.(Ms) No. 318, Revenue and Disaster Management, Dated: 28.02.2021.

**ORDER**

Whereas on considering the recommendations of the expert team of the Doctors and Public Health Specialists and based on the directives of Government of India, Ministry of Home Affairs, State-wide lockdown was extended from time to time and lastly extended till 24.00 hours of 31.03.2021 under the Disaster Management Act, 2005 in G.O.(Ms).No.318, Revenue and Disaster Management (DM-IV) Department, dated: 28.02.2021.

2. In the G.O. 1<sup>st</sup> read above, following the Standard Operating Procedures, Final year Classes for all Colleges / Universities including Arts, Science, Technical, Engineering, Agriculture, Fisheries, Veterinary Colleges were permitted to function from 07.12.2020. Further, Hostels for the above college students were also permitted.

3.In the G.O. 2<sup>nd</sup> read above, following the Standard Operating Procedure, all Under Graduate and Post Graduate Classes (including Diploma Classes) in all Colleges / Universities including Arts, Science, Technical, Engineering, Agriculture, Fisheries, Veterinary Colleges were permitted to function from 08.02.2021. Further Hostels for the above students were also be permitted.

4. As there is an increase in the spread of COVID-19 infection, a meeting was held with the Vice-Chancellors of the all Universities under the aegis of Higher Education Department, the Director of Technical Education and the Director of Collegiate Education on 22.03.2021

regarding the situation arising out of increasing Corona Cases and the plan for the academic year was discussed. The Vice Chancellors opined that the classes can be conducted online and they also expressed that 70-80% syllabus have been covered. For Science Stream students the practical classes and examination are going on.

5. The Director of Public Health and Preventive Medicine has also opined that there are reports emerging of cluster from colleges/Hostels and considering trends in many states, these clusters have potential to spread disease in their place of residence and surrounding community.

6. The Government after careful examination of the situation hereby directs that all the Higher Educational Institutions under the control of Higher Education Department and Deemed Universities to conduct classes online from 23.03.2021 onwards with six days working. All practical classes and practical examinations for Science/Engineering/Polytechnic stream students shall be completed before 31<sup>st</sup> March 2021, especially the final semester students. The semester examination will be an online examination.

[ii] DoT letter no. 800-26/AS II dated 18/09/2020

Sir,

With reference to the Purchase Order mentioned under ref [i], 54984 numbers of BSNL 4G Data SIMs have been dispatched to DOTE & DCE nodal officers in 38 districts.

As per DoT Norms, signed application forms have been obtained from DOTE & DCE coordinators; wherein, submission of end-user details viz. SIM allotted to the student, name of the student, Proof of Identity [PoI] document number, Proof of Address [PoA] document number, Address as per PoA, by the subscriber to ISP is a mandate as per DoT orders [ref ii].

As collection & consolidation of end-user data being sent from the individual colleges is a time-consuming process, in order to make students utilize the benefits of the announced scheme, it has been decided to activate the SIMs immediately; provided the end-user details are obtained from the DOTE & DCE coordinators on/before 19/03/2021, failing which would lead to disconnection of the SIMs. Consent has been obtained from DOTE & DCE coordinators on this subject.

Also it is informed that requests are being received from DOTE & DCE colleges for additional count of BSNL SIM cards other than what is mentioned in PO. Hence, it is requested to place another PO based on DOTE & DCE requirements please.
