This will enable the students of TamilNadu to get training in their chosen field of interest that will help them in achieving their career goals. It is organized by the Tamilnadu Skill Development Corporation, Government of Tamilnadu. The website is <https://www.naanmudhalvan.tn.gov.in>. Also, the Naan Mudhalvan courses are mandatory in the Curriculum of UG courses.

The objective of this scheme is to identify potential training providers, to impart various skill trainings based on current industry gaps.

Through this flagship program the students will be able to get trained and ensure they get jobs according to their skill sets. We will also offer career and academic guidance to students in state educational institutions.

So far 1035 students were benefited.

LANGUAGE AND COMMUNICATION SKILLS

The language and communication skills of students will be developed through soft skill and Naan Mudhalvan programmes.

The soft skill programme is funded by Tamilnadu State Council for Higher Education (TANSCH) to develop various soft skills for students who are studying in the Government Arts & Science Colleges of Tamilnadu. Periyar Arts College is one of the Soft Skill Training Centres.

Naan Mudhalvan platform aims to provide dynamic information for college students on courses and relevant information about industry specific skill offerings. This will enable the students of TamilNadu to get training in their chosen field of interest that will help them in achieving their career goals. It is organized by the Tamilnadu Skill Development Corporation, Government of Tamilnadu. The website is <https://www.naanmudhalvan.tn.gov.in>. Also, the Naan Mudhalvan courses are mandatory in the Curriculum of UG courses.

The objective of this scheme is to identify potential training providers, to impart various skill trainings based on current industry gaps.

Through this flagship program the students will be able to get trained and ensure they get jobs according to their skill sets. We will also offer career and academic guidance to students in state educational institutions.

2998 students were benefited for this language and communication skills during the last five years.

**LIFE SKILLS
(YOGA, PHYSICAL FITNESS, HEALTH AND HYGIENE, SELF EMPLOYMENT AND
ENTREPRENEURIAL SKILLS)**

The various life skills will be taught through Physical Education and Nann Mudhalvan platform. Yoga is a physical, mental, and spiritual practice that originated in ancient India. It involves a combination of postures (asanas), breathing exercises (pranayama), meditation, and ethical principles aimed at promoting overall well-being. International Yoga Day is celebrated every year by the Department of Physical Education. The life skills like health and hygiene, self employment and entrepreneurial skills will be organized by different clubs of the institution/NCC/NSS/MSW for the welfare of the students.

Naan Mudhalvan platform aims to provide dynamic information for college students on courses and relevant information about industry specific skill offerings. This will enable the students of TamilNadu to get training in their chosen field of interest that will help them in achieving their career goals. It is organized by the Tamilnadu Skill Development Corporation, Government of Tamilnadu. The website is <https://www.naanmudhalvan.tn.gov.in>. Also, the Naan Mudhalvan courses are mandatory in the Curriculum of UG courses.

The objective of this scheme is to identify potential training providers, to impart various skill trainings based on current industry gaps.

Through this flagship program the students will be able to get trained and ensure they get jobs according to their skill sets. We will also offer career and academic guidance to students in state educational institutions.

So far 4189 students were benefited for this programme.
