Governing council approval for the e-Governance report:

The college council is happy for the implementation of the e-Governance in the possible areas of administration and academic activities. The following activities are identified where e-governance has been implemented successfully.

Student admission:

The admission related information are available in the TNGASA website https://www.tngasa.in/. The admissions are centralized. The college has created a Student Admission Facilitation Centre in order to support the student to apply in TNGASA

College Website:

Our college website www.pacc.in serves as a comprehensive source of information regarding our institution. Visitors can find details about our admission process, programs offered, faculty members, and departmental information on the website. We ensure that the website is regularly updated to provide the most current and accurate information to our stakeholder

IFHRMS Pay:

Integrated Financial and Human Resource Management System. It's an online system that helps the finance and human resources departments of Tamil Nadu which is used for accounts and human resource maintenance. As per https://www.karuvoolam.tn.gov.in/web/tnta/ Tamil Nadu Treasury and accounts website, all employees are required to access their pay slips through the IFHRMS app.

Student TC:

The students' TCs are issued through a portal that has been specifically designed for this purpose.

Feedbacks & Grievances:

Feedback is collected online from students, staff, teachers, parents, and employers through our website. Any grievances are recorded online and appropriate action is taken promptly

E-Governance Policy:

E-GOVERNANCE POLICY

Policy Statement: The e-Governance policy leverages digital tools to enhance and streamline service delivery, improve public administration, and promote increased engagement between students and teachers

Objective: The primary aim of e-governance policy is to improve the efficiency, transparency, and accessibility of education services and information. E-governance encompasses a broad range of applications, including online service delivery, digital communication, data management, and the use of technology to support decision-making processes.

Implementation Strategy:

The implementation of the e-Governance at Government higher education institution involves the administrative support from the Government and the affiliating university.

The following are the areas where the e-resources shall be applied

- ❖ Administration
- ❖ Finance and Accounts
- ❖ Student Admission and Support
- ❖ Examination
- ❖ Library
- ❖ ICT usage in Teaching

✓ In order to enhance communication and collaboration among faculty members, the utilization of emails and group communications is imperative. To promote environment friendly practices and reduce paper usage within the office, all messages shall be disseminated to employees through e-circulars.

✓ Efforts shall be made to establish systems for efficient data collection, storage, and analysis, with the goal of utilizing data to inform policy decisions and enhance service delivery. Facilitating communication and data sharing among various departments and agencies will be prioritized to streamline services and prevent duplication of efforts.

✓ Platforms shall be developed to encourage feedback and engagement, including online student surveys, teacher discussion forums, and e-grievance handling mechanisms. Additionally, the promotion of an e-pay system and support for student admissions and scholarships through online portals will be emphasized.

✓ While examinations will continue to be conducted offline, online platforms will be utilized for fee payments, mark entry and result publications.

Responsibilities: The Principal is the chairperson. There is a Nodal officer and in-charge for implementing the e-governance in the institution.

e-Governanance Activities Annual Report:

i) 2019-2020

From **the year 2019** onwards the affiliating university has started the e-governance activities by supporting a platform for the entry of the marks. All administrative and academic circulars were sent and received from TNDCE and affiliating university through e-mail. Partially digitized payroll system was followed. Later, Tamil Nadu Government introduced IFHRMS during the same year and training was given to all the employees. Since our college is a government institution, our employees were also trained in the module. Periyar Arts College has a policy on e-Governance.
