Periyar Arts College is affiliated to Annamalai University from the academic year 2021-22. Earlier the College was affiliated to Thiruvalluvar University, Vellore.

Curriculum Planning

The Curriculum planning and revision of the syllabus are periodically done by the affiliating University. 21 faculty members are in the board of studies of the affiliating university, playing a pivotal role in framing the curriculum. The university has recently revised the syllabus to align with the TANSCHÉ model. We follow CBCS pattern of education in all 35 programs.

Planning the Curriculum Delivery

At the beginning of the academic year, the university communicates the tentative academic schedule. The Calendar Committee prepares the academic calendar in accordance with the university calendar which contains information regarding Continuous Internal Assessments (CIA), model examinations and other academic activities. A master time table is prepared by the Time Table Committee in the day order format allotting hours for core, allied, languages, skill based, non-major and value enhancing subjects for every academic year. The work load is calculated; subjects are allocated to all staff members by the HoDs and a Department Time Table is prepared. The faculty members sketch out a balanced lesson plan and provide students with information on program objectives, outcomes, and question banks at the beginning of every semester.
